1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I have been a resident of Tega Cay, SC for 31 years and am currently a customer of TCWS.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I oppose Tega Cay Water Service from getting any kind of rate increase. The water in Tega Cay is extremely bad. I have to keep Clorox tablets in the toilets otherwise the water has black rings in the toilet. We use bottled water rather than drink this water. They have had numerous offers to sell the service to Tega Cay and refused. If they can't operate their business with a profit without always asking for a rate increase, they should sell. It's not the residents responsibility to keep TCWS in business by paying more for service we don't get.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

No thank you
